TERMS AND CONDITIONS

WOOD 2010

1. **APPLICATION FOR SPACE:** All applications for participation as exhibitor shall be made on the prescribed space reservation form. The form shall be submitted to the organiser. The organiser has the sole right to determine the eligibility of any prospective participant (Exhibitor) to take part in the exhibition.
2. **ALLOCATION OF SPACE:** The organiser has the sole right to allot appropriate space (by way of stall or open space) to an exhibitor. The organiser further reserves the right to reallocate the exhibitor to any other space or stall(s) than that was first allocated. Please note, for structural reasons pillars and supports are fundamentally included in the calculated stand area without entitlement to reduction. The stand rent is paid merely for the rented area, i.e. other installations or extensions are not included in this rent. The decision of the organiser with regard to the allocation of space shall be final and binding on the exhibitor.
3. **CANCELLATION OF CONTRACT AND WITHDRAWAL BY EXHIBITOR:** Without prejudice to the rights and remedies of the organiser in respect of any breach of the rules and regulations on the part of the exhibitor, the organiser may at their sole discretion allow the exhibitor to withdraw from the exhibition and cancel the contract, subject to the following conditions. (a) The exhibitor must give written notice to the organiser that he desires to withdraw well in advance - at least TWO MONTHS prior to the dates of the show. (b) Should the organiser at their sole discretion agree to such withdrawal, they will notify the exhibitor of such decision in writing. Any such notification by the organiser to the exhibitor will constitute a cancellation of contract / allocation of space, subject to the payment by the exhibitor to the organiser and / or retention by the organiser of consideration by way of liquidated damages and not as penalty. (c) Upon payment/settlement of such consideration by the exhibitor, the contract shall be cancelled and neither party shall have further claim against the other.
4. **FAILURE TO OCCUPY SPACE:** Should an exhibitor fail to occupy allotted space by the date and time specified for installation of exhibits, the organiser would be at liberty to take over such space and reallocate and / or use the same as the organiser deems fit. No refund will be given for last minute cancellation.
5. **HANDLING AND CARE OF EXHIBITS:** Organiser shall bear no responsibility for damage to exhibitor's property or lost shipments nor moving costs. Failure of exhibits to arrive in time for the exhibition is not a cause for cancellation of space contracted and the exhibitor will be liable to pay the space cost in full.
6. **THE EXHIBITOR MANUAL WILL CONTAIN THE DETAILED TERMS & CONDITIONS APPLICABLE FOR:** a) Decoration & display b) Stand dismantling c) Exhibitor & booth representatives
7. **DAMAGE TO PROPERTY:** The exhibitor is liable for any damage caused to the building, floor, walls, panels, carpeting and / or to standard items and fittings provided within the booths. The exhibitor may not apply paint, adhesive or any such material, which would damage the fittings, fixtures and furniture provided by the organiser. Rights to further claims for damages shall be reserved.
8. **EXHIBITOR'S PROMOTIONAL ACTIVITIES:** All sales or sales promotion activities by exhibitor including the handing out of literature, brochures, samples, handouts, etc. must be confined to the designated booth of the exhibitor. The organiser directly prohibits any such promotional activities to be carried out by the exhibitor in the passages, aisles etc. that may tend to obstruct attendees from visiting other booths, exhibits, etc.
9. **NOISE & SMELL:** The exhibitor will not be permitted to display anything, which causes offensive levels of noise, smell or other effects of pollution.
10. **SAFETY:** The safety of exhibitors, attendees as well as that of exhibits is of paramount importance. Consequently the exhibitor must scrupulously comply with all relevant fire and other safety regulations. All electrical wiring and electrical fittings must conform to or be better than appropriate standards and no improper joints, lack of fuses, switches and other unsafe devices will be permitted. No inflammable, poisonous, explosives (including gas cylinders) or radioactive material shall be used without the approval in writing of the relevant authorities as well as the organiser. To ensure clear access to safety and fire exits, no obstructions or display materials will be allowed in any of the aisles or passages.
11. **SECURITY:** The general security of the show / exhibition grounds is arranged by the organiser without liability for losses or damage. The exhibitors themselves are responsible for the supervision and guarding of their stand. This also applies during the stand construction and dismantling periods, before the start and after the close of the event. For the security of the stand during the night hours the organiser recommends commissioning, at the exhibitor's expense, a stand guard from the security company responsible for the event / exhibition. An order of this nature for special guards should be discussed as early as possible with the organiser. The Exhibitor and their staff may not remain in the stand overnight.
12. **INSURANCE:** The exhibitor is strongly advised to ensure adequate insurance covers including extra territorial coverage for property damage, public liability, theft, fire, etc.
13. **RIGHTS OF ADMISSION:** The organiser may at their discretion, frame or amend the rules regarding rights of admission to the exhibition taking into account the best interests of the exhibitor and attendees as also existing rules and regulations in this matter of the landlord of the venue of the exhibition.
14. **TERMINATION / POSTPONEMENT OF EXHIBITION:** The organiser reserves to themselves the absolute right without assigning any reason, force majeure or otherwise, to cancel or postpone the exhibition (or part thereof) or its commencement of continuance and appropriately may terminate this contract. If the organiser terminates this contract and / or the exhibition (or part thereof), then the organiser has the right to retain such part of amounts received from the exhibitor as shall be adequate to compensate the organiser for expenses incurred until the time of termination of contract.
