

Hello
Opportunities

Connecting The
Ecosystems That Shape
Our Living Spaces

A portrait of Sonia Prashar, a woman with dark, wavy hair, wearing glasses and a black blazer over a black and white striped top. She is smiling slightly. The background is blurred.

The furniture and
woodworking Industry
is a sunrise sector,
emerging as
a significant contributor to
India's economy. We provide
the industry with a plethora
of national and regional
platforms for business,
innovation, and
networking.

Sonia Prashar
Chairperson of the Board
& Managing Director
NuernbergMesse India Pvt. Ltd.

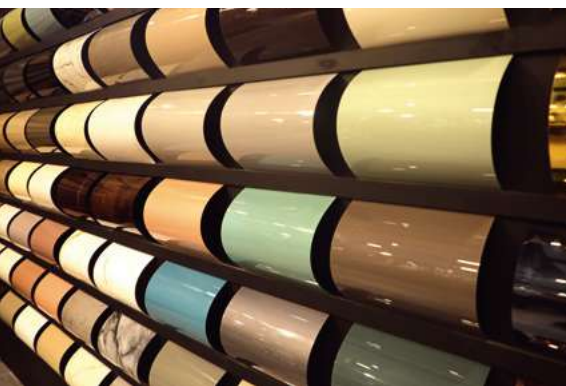

As one of India's **leading exhibition organisers** in the **woodworking, mattress, furniture and design sectors**, NürnbergMesse India has had a **front-row seat to the industry's transformation** - witnessing, enabling and shaping its evolution over the two decades.

Through powerful platforms such as **INDIAWOOD, INDIA MATTRESSTECH & UPHOLSTERY SUPPLIES EXPO, INDEXPLUS, SURFACES @ WORK**, and regional editions including **MUMBAIWOOD, CHENNAIWOOD** and **KOLKATAWOOD**, we **connect regions, spotlight innovation** and **build a thriving national ecosystem**.

With a combined reach of over **120,000+ industry professionals** and **1,500+ exhibiting brands** across our portfolio, our exhibitions bring together **manufacturers, suppliers, designers, architects** and **decision-makers** to explore advancements in **sustainability, advanced materials, skilling** and **supply chain excellence**.

Together, these platforms create **powerful opportunities for collaboration, business growth** and **industry advancement** across **India's construction and design landscape**.

WOOD

INDIAWOOD is at the forefront of establishing India as a global manufacturing hub, bringing together national and international decision-makers to explore the latest in digitalization, sustainability, skilling, supply chain management, and advanced materials.

Expanding this vision regionally, **MUMBAIWOOD**, **CHENNAIWOOD** and **KOLKATAWOOD** serve as vital gateways to Western, Southern and Eastern India - empowering professionals across furniture, woodworking, and mattress manufacturing to connect, source, and innovate.

Together, these platforms form the backbone of India's evolving manufacturing ecosystem - driving excellence, enabling growth, and shaping the future.

MEDIA & PUBLICATIONS

WOODNEWS

FURNITURE AND MANUFACTURING MATERIALS AND TECHNOLOGIES

WoodNews is India's premier magazine in the woodworking sector since 1991. It is the most widely read bi-monthly title in English and addresses those involved in wood-related sectors such as furniture manufacturing, panel processing, home & commercial building, construction, architecture and interior design.

www.woodnews.in

The official publication of INDEXPLUS is India's leading voice in interiors, architecture, furniture and design. Published every two-months, it reaches over 30,000+ professionals with the latest trends, insights and innovations. A go-to resource for architects, designers, builders and retailers from inspiration to execution.
