Global Summit for Woodworking, Furniture Production and Mattress Manufacturing

Organized by:

Official Media:

WOODNEWS
FURNITURE AND MANUFACTURING MATERIALS AND TECHNOLOGIES

Supported by:

Celebrating 25 years of industry evolution

INDIAWOOD is the definitive global trade fair for woodworking, furniture production and mattress manufacturing. The event brings together manufacturers, suppliers, innovators, and decision-makers to explore advanced machinery, automation, sustainable materials, and future-ready solutions. More than an exhibition, INDIAWOOD is a high-impact platform where technologies are compared, partnerships are built, and the future of manufacturing takes shape.

WOOD IN
ARCHITECTURE &
DESIGN
Sustainable • Hybrid • Applications

27 February 2026

India Mattresstech & Upholstery Supplies Expo (IME) is India's only dedicated B2B trade fair for mattress and upholstery production, bringing together over 120 national and international brands showcasing machinery, materials, and production solutions.

Join leading architects, designers, and industry experts as they discuss how wood is shaping contemporary architecture. The event covers mass timber, new technologies, design aesthetics, compliance frameworks, and future trends.
